CORE VALUES

We uphold the values of Quality and Commitment to the Customer. Dedicated to providing top-tier refrigeration solutions with a focus on reliability, efficiency, and innovation. Our customers' satisfaction is at the heart of everything we do, ensuring lasting relationships built on trust and excellence.

Our Mission

Busta Refrigeration Limited is not the same for every customer, thus we do not offer generic or pre-packaged services. We develop each client's service project while working closely with them. This ensures we deliver projects that most fit individual client needs. We develop and implement Standard Operation Procedures, that help our employees to understand the needs of each specific customer and ensure that the equipment supplied and services offered have been proven to perform up to the expected standard.

Our Vision

Our goal is to provide refrigeration services and expert guidance as our community adapts to the accelerating pace of worldwide change. To strive for a culture bonded in the highest ethical and professional standards in response to clientele community needs at all times by incorporating hi-tech automation and maintaining a workforce having pride, professionalism, courteous and confident members.

COLD ROOMS

Busta Refrigeration Limited is one of the leading manufacturers of cold rooms and offers attractive solutions to preserve products safely and hygienically.

BUSTA REFRIGERATION LIMITED 2024

WE DESIGN & BUILD COLD ROOMS FOR MANY DIFFERENT SECTORS

- Fruit and Vegetable Storage
- Facilities Frozen Food Storage Facilities
- Blast-Freezing Facilities
- Cold Chain Logistic Warehouses
- Meat, Fish, Poultry Processing and Storage Facilities
- Drug & Chemical Manufacturing and Storage Facilities
- Hospitals & Laboratories Hotels, Restaurants and Supermarket

We offer top-quality milk chiller solutions, providing efficient cooling systems to preserve milk freshness. Our reliable designs ensure optimal temperature control for dairy farms and milk processing businesses. The chillers help to maintain the quality and safety of milk by cooling it to temperatures below 4°C (39.2°F) immediately after milking. This rapid cooling prevents the growth of harmful bacteria and extends the shelf life of the milk.

MILK CHILLERS

Morgue Refrigeration Solutions

Busta's morgue refrigeration solutions vary in type & capacity ranging for a single body to fifteen bodies. Our ability to offer different types of morgue refrigeration solutions as per our client's needs has seen us grow and become a dominant force in the industry.

Varieties of Morgue Refrigeration Solutions we offer.

- **Walk-in refrigerators and freezers:** These units provide ample space for storing multiple bodies and are commonly used in larger facilities.
- **End-acting and side-acting morgues:** These units have compartments that slide out for easy access to the bodies.
- **Roll-in morgues:** These units allow for easy movement of bodies in and out of the refrigeration unit on a rolling tray.
- **Remote cooling systems:** These systems use a separate condensing unit located away from the morgue, which can be air-cooled or water-cooled.

AIR CONDITIONING SOLUTIONS

Air conditioning solutions are at the heart of what we provide for residential, commercial, and industrial sectors across the East African region. We have invested heavily in manpower and technology, enabling us to deliver cost-effective air conditioning options. Our commitment to unparalleled precision and reliability has led to a growing number of referrals and repeat clients, underscoring the effectiveness of our services.

Our trained professionals ensure every appliance is installed to perfection.

We make sure your new appliances fit perfectly into your space.
